

VISION NETWORK – PRICE BOOK (Version 3.1)

This is version 3.1 of the Price Book for Vision Network Pty Limited (ACN 087 533 328) (**Vision Network**). This version 3.1 of the Price Book supersedes and replaces all prior versions of the Price Book in their entirety.

This document sets out the pricing Vision Network provides to its wholesale Customers under Vision Network's Wholesale Service Agreement and is to be read in conjunction with that agreement.¹

Vision Network may from time to time offer promotions relating to its products and services. Please refer to the Promotions Annexure to this Price Book (~~Version 3~~) for details on any promotions.

Vision Network reserves the right to change the price and non-price terms set out in this Price Book (Version 3.1) by issuing a new version of this Price Book with 60 days' notice.

The effective date of this Price Book (Version 3.1) is ~~1 October 2022~~ 1 August 2023.

All prices are GST exclusive.

SECTION 1: FIBRE TO THE BUILDING (FTTB) AND FIBRE TO THE HOME (FTTH)

- ~~Section 1~~ This section 1 sets out the prices applicable for Fibre to the Building (including Fibre to the Home) services, which are available at selected metro services in most Australian states.
- The pricing set out in Part A ~~will remain in effect from the distribution date of this Price Book (Version 3) until 31 December 2022 became effective on and from 1 January 2023~~ for all existing FTTB and FTTH service connections, ~~and will apply (other than G.Fast services) as at that date, and applies~~ to all new FTTB and FTTH service connections ~~until 31 December 2022 (other than G.Fast services) made on or after that date.~~
- ~~The pricing set out in Part B will apply on and from 1 January 2023 to all existing FTTB and FTTH service connections as at that date, and all new FTTB and FTTH service connections made on or after that date.~~
- ~~The pricing set out in Part C for G.Fast products became effective on and from 5 May 2022 and will remain in effect until changed, and applies to all FTTB and FTTH service connections using G.Fast technology made on or after that date.~~

Notes:

Formatted: No underline

¹ Upon request, Vision Network will supply the declared Layer 2 wholesale access service to the extent required from time to time on the relevant terms. As at the date of publication, the relevant reference product and price under the ACCC's Final Access Determination in respect of the Superfast Broadband Access Service appears to be NBN Co's bundled CVC TC-4 and associated AVC TC-4 product components (25/5 Mbps) at \$37 with 1.5 Mbps of CVC included.

PART A – PRICING IN EFFECT UNTIL 31 DECEMBER 2022

- For FTTB and FTTH services, either the Customer or Vision Network may perform the jumpering/installation work.
- Table 1 below is for products previously offered a FTTB and FTTH product called 'Spectrum Smart Plans', where the Customer jumpers/installs the service. Table 2 below is for products where (rather than Vision Network). The 'Spectrum Smart Plans' were discontinued as of 1 August 2023, meaning these products cannot be ordered after this date, and any FTTB and FTTH service connections on 'Spectrum Smart Plans' will need to be migrated to alternative products by 1 August 2023.
- Vision Network performs the jumpering/installation work for all FTTB and FTTH services.
